AMERICAN MARBLE INDUSTRIES

Founded in 1980 by John Stoffer, American Marble Industries has been operating out of Canton, Ohio providing homeowners with customized shower and bathroom material as an alternative option to tile & grout.

Why homeowners choose Cultured Marble?

- Cost effective material
- Grout-free & non-porous
- Healthy, low maintenance care
- Timeless looks built to last
- Custom design options for unique spaces and layouts

The background features a light gray surface covered with numerous water droplets of varying sizes. Overlaid on this are several geometric shapes: a large, thick gray hexagon in the center, and two thinner gray diamond shapes, one in the upper right and one in the lower left, both tilted at approximately 45 degrees.

CUSTOM SHOWER BASES

Custom shower bases are made to your specs, measured **stud to stud**. Each base is made with a 1/4" per foot slope to the drain location with a rubber, water barrier flange attached. Custom sizes up to 120" x 94"

REGULAR TEXTURE OPTION

Don't forget your threshold!

← 2" HEX TILE TEXTURE
Max size
102" x 64"

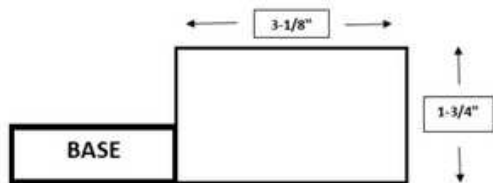

NO GROUT
TILE TEXTURE
Max size
96" x 60"

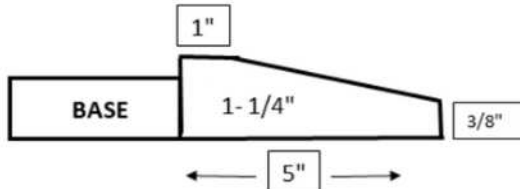

THRESHOLDS

When measuring for your custom shower base, be aware that your threshold will need to be deducted from the total depth of your shower base. If not, your shower base will exceed the desired finished size and will need to be cut down to the correct size.

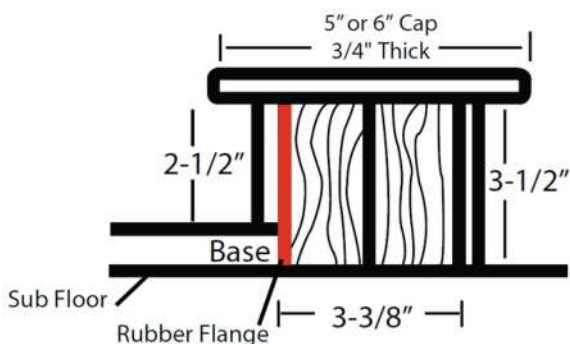

See below for each deduction you would need to make.

LOW BLOCK THRESHOLD
DEDUCT 3-1/8"
